

Open Access Statement of The Journal AUOFMTE

The journal “**ANNALS OF THE UNIVERSITY OF ORADEA. Fascicle of Management and Technological Engineering**” (AUOFMTE) is dedicated to the open, real and quick access of the readers who are interested in the content of the scientific papers published herein. All articles are published in AUOFMTE free of charge and can be accessed upon publication.

Open access is a type of publishing which allows the online dissemination of scientific papers in the global community without any restrictions. Therefore, all open access articles can be read by anyone with an Internet connection.

Moreover, the readers are not charged for downloading articles or reviews used for their own scientific research. The access to the articles published in AUOFMTE is

unrestricted under the provisions of  (Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License). It allows the reproduction of articles free of charge, but the person who uses data from an article is bound to provide all citing information for non-commercial uses. Authors who wish to have their articles published in AUOFMTE must comply with these publishing terms and conditions.

Please note that the copyright for all articles published in AUOFMTE shall remain the property of the author(s) who have signed the publishing agreement. The copyright on the layout and final design of the articles published in AUOFMTE shall be transferred to AUOFMTE and cannot be used in other publications. All articles published in AUOFMTE shall be rated independent DOI (Digital Object Identifier), according to the agreement with CrossRef.

Users are allowed to read, download, copy, share and use hard copies, to create links to the full-text articles published in AUOFMTE without previous consent of the editor or author.
